Admission Policy of Cahergal N.S.

Address: Cahergal, Tuam, Co. Galway

Roll number: 17807R

School Patron: Most Reverend Michael Neary, Archbishop of Tuam

1. Introduction

This Admission Policy complies with the requirements of the Education Act 1998, the Education (Admission to Schools) Act 2018 and the Equal Status Act 2000. In drafting this policy, the board of management of the school has consulted with school staff, the school patron and with parents of children attending the school.

The policy was approved by the school patron on 29th September, 2020. It is published on the school's website and will be made available in hardcopy, on request, to any person who requests it.

The relevant dates and timelines for Cahergal N.S.'s admission process are set out in the school's annual admission notice which is published annually on the school's website at least one week before the commencement of the admission process for the school year concerned.

The enrolment process is by written application only. Completed application forms should be returned by April 30th each year.

This policy must be read in conjunction with the annual admission notice for the school year concerned.

The application form for admission is published on the school's website and will be made available in hardcopy or softcopy on request to any person who requests it.

The address at which the applicant resides will be the address used only by the school for correspondence regarding enrolment.

The completion of an enrolment application form or the placement of your child's name on a list, however early, does not confer an automatic right to a place in the school.

2. Characteristic spirit and general objectives of the school

Cahergal N.S. is a rural based school with a Catholic ethos. It provides for and cherishes all its members including those who may not profess the Catholic faith. The main responsibility for teaching the children rests with four class teachers but invaluable help is being given to children with special educational needs by shared and school based SET teachers. Children receive religious, moral, intellectual, physical and social education in an open, respectful, caring and trustful atmosphere where they can feel valued and have a sense that their uniqueness and potential is recognised.

It is the policy of this school through consultation with and the co-operation of all interested parties to provide an effective educational environment which will encourage each child to fulfil his/her full potential in a caring and supportive surrounding.
