

### **Agreed Board of Management Report**

25<sup>th</sup> March 2021

- The Board of Management ratified a new school policy relating to **Protected Disclosures** (Whistle Blowing) and reviewed/ratified two existing school policies, the Internet Acceptable Usage Policy and the Parental Complaints Policy. These policies are available on [www.cahergalns.ie](http://www.cahergalns.ie)
- It was agreed to erect an Active Schools Walkway around the perimeter of the school grounds. This fun and active amenity will support and compliment the great work being done to promote the Active Schools campaign in the school.
- The Board of Management is presently looking into securing a contract for the maintenance of the school's Treatment Plant.
- It was agreed that a combination lock be purchased for the front gate of the school. This extra security measure is needed to ensure the grounds are protected and not accessed by vehicles after school hours.
- The Department of Education has issued the 'Staffing Schedule' for the 2021/22 school year. The staffing levels for our school will remain the same for next year, with four mainstream class teachers and two SET posts. Our SEN allocation remains unchanged and we will continue to share SET hours with St. Colmans N.S., Cumber.
