Agreed Board of Management Report

23rd September 2021

- The Board of Management conducted its annual review of the school's Safety Statement. The school's Covid-19 Response Procedures and Risk Assessment were included in this review.
- The Board of Management received notice of Carmel Hughes intention to retire from her post as Secretary. The Board acknowledged the tremendous dedication and diligence Carmel gave to the role and finalised plans to thank her for the outstanding contribution she has given to the Cahergal N.S. community over the past 20 years.
- The Board of Management agreed to provide First Aid and Defibrillator training for all school staff. A date is to be arranged before the end of the first term.
- The school will re-engage with the School Self Evaluation (SSE) process. The previous cycle of SSE which focused on improving oral language through the writing genres, will be revisited.

Signed

Alastair Beegan

Secretary of the Board of Management.
